

Model:            **HTTU2**  
Description: Tubular heater 2FT 120W

Product Features

- Complete With Brackets For Wall Mounting
- Heat Evenly Distributed Through Heater Body
- Internal Thermostat
- Low Power Consumption
- Pre-Wired
- Strong Steel With High Quality Powder Coating

Technical Information

Working Temperature (°C)	90
Applications	Factories, warehouses, store room, conservatories, sheds
Approvals/Certifications	CE, UKCA, RoHS
Ingress Protection (IP)	IP55
Input Voltage (v)	220-240
Mounting	Wall
Mounting Bracket (Y/N)	Y
Over-Heat Protection (Y/N)	Y
Product Colour/Finish	White
Warranty Period (Years)	1
Barcode	5027825985409
