

Model: HTTU3
Description: Tubular heater 3FT 180W

Product Features

- Complete With Brackets For Wall Mounting
- Heat Evenly Distributed Through Heater Body
- Internal Thermostat
- Low Power Consumption
- Pre-Wired
- Strong Steel With High Quality Powder Coating

Technical Information

Working Temperature (°C)	90
Applications	Factories, warehouses, store room, conservatories, sheds
Approvals/Certifications	CE, UKCA, RoHS
Body Material	Steel
Cable Length (metres)	1
Class	I
Frequency (Hz)	50-60
Ingress Protection (IP)	IP55
Input Voltage (v)	220-240
Mounting	Wall
Mounting Bracket (Y/N)	Y
Output Rating (W)	180
Over-Heat Protection (Y/N)	Y
Product Colour/Finish	White
Tip-Over Sensor (Y/N)	N
Warranty Period (Years)	1
Dimensions (mm)	910*100*80
Barcode	5027825985416
