

MSB & DGB- SWITCH & SOCKET BOXES

- All boxes include a unique regulation brass earth terminal to which several wires can be fitted.
- All boxes have adequate cable entries for wiring purpose (35 & 47mm have both 20 & 25mm knockouts).
- To facilitate the easy fitting of accessories into the boxes they are designed with at least 1 adjustable lug.
- Boxes are made to BS4662.
- Material: Pre coated bright galvanized steel.
